IN SERVICE TO ONE. IN SERVICE TO ALL.

Monsignor John F. Callahan Council 3600 of West Hartford

SERVICE DRIVEN BY FAITH

Greetings Fellow Parishioners,

Friday, September 27

The Annual Town wide Mums Sale to benefit HopeWorks is about to begin next weekend (9-4&5), as we take pre-orders for the **Mums Sale** after each Mass. On the following weekend (9-11&12), we will be taking orders and distributing the plants. We usually have at least 2 Parishioners available after each Mass to take orders and distribute plants.

Each year through the Mums Sale, Saint Thomas the Apostle Parishioners provide the greatest support for this important Social Service agency here in West Hartford.

HopeWorks is an interfaith organization that strengthens our community through counseling, education and outreach services for young people and their families, for schools, and for community organizations. For more information, please visit their website at :

<http://www.hopeworkscentral.org/>

Please let me know, if and when, you can help, for about 15 minutes after the Masses. See the schedule below, pick a date and time; and send me an email. This is a great event for young adults to volunteer for.
